Notice of Non-Discrimination

Southwest Mississippi Community College does not discriminate on the basis of race, color, national origin, age, sex, religion, or disability in its programs, activities or employment practices. The following persons have been designated to handle inquiries and grievances regarding the non-discrimination policies: Mrs. Rhonda Gibson, Director of Disability Support Services, 601-276-3885; Dr. Brent Gregory, Vice President for Student Affairs and Title IX Coordinator, 601-276-3717; SMCC, 1156 College Drive, Summit, MS 39066.
**GRADING SYSTEM**

The final grade represents an evaluation of the student's achievement during a semester's attendance in a course. In addition, regular examinations of one to two hours in length are given according to a definite schedule. At the end of each semester, all students are required to take final examinations.

The evaluations will be expressed according to the following letter system:

<table>
<thead>
<tr>

<tbody>
<tr>

</table>

An incomplete must be removed within the first regular semester which follows the grade period reporting “I,” or it will automatically become “F.”

**QUESTIONS CONCERNING THE ACCURACY OF FINAL GRADES MUST BE BROUGHT TO THE ATTENTION OF THE VICE-PRESIDENT FOR ADMISSIONS AND RECORDS IN WRITING WITHIN ONE SEMESTER. STUDENTS WISHING TO CONTEST A GRADE MUST CONTACT THE APPROPRIATE INSTRUCTOR FIRST**

**ACADEMIC PROBATION**

Any student who does not earn at least a 1.500 grade point average for work attempted during a given semester will be placed on academic probation at the end of that semester. Any student who does not earn at least a 1.500 grade point average for work attempted during an academic probation semester will be placed on academic suspension at the end of that semester. A student placed on academic suspension will not be allowed to attend the following (fall or spring) semester. A student on academic suspension may attend during the summer semester at the discretion of the Vice President for Academic Affairs.

**CLASS ATTENDANCE**

A student who enrolls in a class accepts responsibility for attending that class and for completing the work assigned.
The college may authorize absences under three circumstances: hospitalization of the student, death in the student’s immediate family, or participation by the student in a school-sponsored activity.

A student whose absence is authorized by the college will be allowed to make up any work missed during that authorized absence, but only if the student notifies the instructor of the situation on the day of the student’s return to class.

When a student’s total number of absences exceeds the equivalent of two weeks of the scheduled meetings for a class, that student will be dropped from that class. If this action happens after the deadline for dropping the class without penalty, that student may receive a grade of “F” for that class.

Being dropped from a class might reduce a student’s status from full-time to part-time and thereby affect, among other things, that student’s scholarships, financial aid, athletic eligibility, and eligibility to reside in the dormitories.

<table>
<thead>
<tr>
<th>TARDIES</th>
</tr>
</thead>
<tbody>
<tr>
<td>A tardy is defined as arriving after the regularly scheduled time for a class to begin. Three tardies will constitute one absence.</td>
</tr>

<table>
<thead>
<tr>
<th>ADD OR DROP A COURSE</th>
</tr>
</thead>
<tbody>
<tr>
<td>If a student wishes to drop or add a course, the student should first consult with his/her instructor, advisor, or the appropriate counselor (academic or career-technical) to fully understand the implications of making the desired change of schedule. Factors to consider include how a change in schedule could affect a student’s financial aid, residence hall status, athletic eligibility, or fulfillment of graduation requirements. The student should then log on to Access Southwest linked at <a href="http://www.smcc.edu">www.smcc.edu</a>, click Registered Add/Drop Courses, and follow the prompts in order to add or drop a course. A grade of “W” will be recorded as the student’s grade for a class dropped after the last day to register or add a course, but before the last day to drop a course without penalty. The grade of “W” is not used in computing grade point averages. No changes of schedule are permitted after the last day to drop a course without penalty. Both the last day to add a course and the last day to drop a course without penalty are listed in the academic calendar at <a href="http://www.smcc.edu">www.smcc.edu</a>. If a student wishes to drop all courses, then the student needs to follow the withdrawal procedure listed below.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>WITHDRAWAL</th>
</tr>
</thead>
<tbody>
<tr>
<td>If a student withdraws from the college prior to the last day to drop a course without penalty as listed in the catalog, the student’s transcript will show a “W” (withdrawal) for each course. If a student withdraws from the college after the last day to drop a course without penalty as listed in the catalog, the student’s transcript will show a “WP” (withdrawal passing) or “WF” (withdrawal failing) for each course depending upon what grade was at the mid-term reporting period unless specific program policies state otherwise.</td>
</tr>
</tbody>
</table>

To begin the process of officially withdrawing from the college, the student must first secure an OFFICIAL WITHDRAWAL form from the appropriate counselor (academic or career technical). The student will then be required to obtain signatures from other administrative offices on campus before taking the completed form to the business office. Failure to
withdraw properly will forfeit the student’s right to any refund due and will result in a grade on each subject for the semester being recorded as “F” (failure) on the student’s transcript. A student must pay all fees due to complete withdrawal. A student will not be allowed to withdraw from school during final exam week.

CLASSROOM BEHAVIOR

Student conduct in a classroom, in a hallway, outside any campus building, and in the use of social media shall contribute to an environment conducive to learning. In order to assure that all students have the opportunity to profit from time spent in class; students are prohibited from engaging in any form of distraction unless otherwise approved by the instructor. Inappropriate behavior in the classroom shall result, minimally, in a request to leave class for the period. In such circumstances, the faculty member is the sole judge that the student’s behavior is sufficiently disruptive to warrant a dismissal from the classroom. The student will, at a later time, schedule a conference with the instructor concerning a return to the class. If the faculty member believes the student’s behavior is flagrant, the student should be referred to the Vice President for Student Affairs.

The following are a few examples of inappropriate behavior in the classroom or hallways: eating or drinking, using profanity ($25.00 per word fine), loud talking, sleeping, shuffling backpacks and notebooks, leaving the classroom early, reading newspapers during class, flagrant inattentiveness, in appropriate use of cell phones or beepers, obvious stretching, etc.

Students may use phones, cellphones, and electronic devices in the classroom for educational purposes only.

COURSE LOAD

In order for a student to be considered full-time, he/she must carry no fewer than 12 semester hours of course work per semester. Students may enroll in up to 19 semester hours. To exceed 19 semester hours, a student must receive special permission from their advisor and from the Vice President for Academic Affairs.

MAKE UP WORK

If a student is absent from class, he/she may, at the discretion of their instructor, make up the work. If a student fails to take an assigned quiz, a mid-term, or final examination because of an unauthorized absence, he/she will be permitted to take these tests only at the discretion of the instructor. The student must complete all make-up work within the time specified by the instructor.

ABSENCE OF INSTRUCTOR

Students have no authority to leave the classroom in the absence of an instructor. If an instructor is ill or absent, and prior arrangements have not been made by the instructor with the students, the students are expected to remain in the classroom for the length of the period or until dismissed by another faculty member.
COUNSELING SERVICES

Southwest Mississippi Community College recognized that almost all beginning college students need assistance in making educational, vocational, and personal adjustments. Provision is made for this help through the office of the Vice-President for Student Affairs. The entire faculty work together to promote the optimum development of each student. Inherent in the guidance program is the recognition of the principle that the purpose of guidance is to aid each student to help himself/herself through self-understanding and awareness of potential.

Qualified counselors are available in Kenna Hall and Huddleston Vocational-Technical Complex.

Many college students have personal problems that may interfere with their academic work. The counseling staff provides an atmosphere in which students may discuss concerns with the assurance of confidentiality. Records will be released only with the permission of the student.

ASSEMBLY ATTENDANCE

It is important that all students attend assemblies which are called periodically to bring all of our students together. Every student is held accountable for announcements and any information distributed during an assembly. Please make every effort to attend.

INTELLECTUAL PROPERTY

Southwest Mississippi Community College maintains rights to intellectual property created at college expense. The college reserves rights of ownership of all intellectual property including, but not limited to, curricular materials, books, web pages, electronic publications, and programs written or otherwise created by a student, instructor, or staff member while using college materials or equipment and while working during time that is compensated by the college. All classes of intellectual property, scientific and technological developments, materials or objects created or produced by a faculty or staff member on personal time without the assistance of SMCC personnel, equipment, materials, or facilities, shall be the exclusive property of the individual. If college resources are used during personal time to create intellectual property, the creator should consult the Vice President for Academic Affairs to determine a reasonable compensation for the use of college resources.

It is the responsibility of the creator of any form of intellectual property to ensure that copyrights held by other entities are not infringed and that appropriate permission has been obtained for the use of copyrighted material by adhering to the copyright law of the United States (Title 17, United States Code). Creators of intellectual works that are not partially owned by the college own the copyrights of their works and are free to register the copyright and receive any revenues which may result.

FINANCIAL AID

Southwest Mississippi Community College is a low-cost, locally controlled institution; therefore, students wishing to attend should not let financial reasons prevent them from doing so. Through one of the programs listed below, or a combination of programs, all students having need should be able to acquire necessary funds.

Financial Aid is the economic assistance available to help students meet the differences between what they can reasonably be expected to pay and what it will cost to go to college. This economic assistance may be in the form of scholarships, grants, work-study jobs, or a combination of any of these programs. A student’s total award package cannot exceed SMCC’s cost of attendance budget. Students must have a high school diploma or a High School Equivalent in order to qualify for Pell Grant. Not all Ability-to-Benefit tests are sufficient. All non-high school graduates are subject to DCL letters GEN-15-09 and GEN-12-09.

All federal aid programs available require that the student demonstrate a financial need. To determine this need, the college requires the student to submit the Free Application for Federal Student Aid at www.fafsa.ed.gov. Mississippi residents can apply for state aid at www.riseupms.com. A student must maintain eligibility each semester according to the Satisfactory Academic Progress policy listed in this catalog and on our Financial Aid section on the SMCC website at www.smcc.edu.
FEDERAL WORK-STUDY PROGRAM
Eligible students may apply for part-time jobs under this program to help them earn part of their college expenses. This program, like the other Financial Aid Programs, is based on need. Students will be paid at the National Minimum Wage per hour.

ENROLLMENT STATUS
Financial aid is awarded and paid according to the student’s enrollment status:
12+ hours = full time enrollment
9-11 hours = ¾ time enrollment
6-8 hours = ½ time enrollment
Less than 6 hours = less than ½ time enrollment
(You must be enrolled full time to receive all scholarships and state grants.)

SATISFACTORY ACADEMIC PROGRESS POLICY
Southwest Mississippi Community College (SMCC) is required by federal regulations to establish minimum standards of satisfactory academic progress (SAP) to determine a student’s eligibility to receive federal Title IV student aid for their chosen program of study. Federal Title IV student aid programs available at SMCC are:

- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work-study Programs (FWS)

To maintain student financial aid eligibility, the student must progress satisfactorily toward completing a chosen academic or career-technical program.

Qualitative Requirement – GPA and % of Hours Passed
SAP will be measured according to the following criteria:

<table>
<thead>
<tr>
<th>Cumulative Semester Hours Attempted *</th>
<th>Cumulative Grade Point Average (GPA)</th>
<th>Percentage of Semester Hours Passed*</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 – 29</td>
<td>1.5</td>
<td>66.7%</td>
</tr>
<tr>
<td>30 – 59</td>
<td>1.75</td>
<td>66.7%</td>
</tr>
<tr>
<td>60 and above</td>
<td>2.0</td>
<td>66.7%</td>
</tr>
</tbody>
</table>

*All attempted classes will count in hours attempted, including classes from which the student withdrew – Grade “W”. According to individual program standards, Associate Degree Nursing, License Practical Nursing and Cosmetology will require a higher GPA for SAP.

Status Review and Notification
A student’s entire academic record will be evaluated to determine eligibility for financial aid, whether or not financial aid was received for all semesters or the student was granted an Academic Restart. Students transferring from another school on financial aid suspension or probation will be placed on financial aid warning for the first semester at SMCC. Students will be notified by mail if placed on a Warning Semester.

Warning Semester
Any student who fails to meet the satisfactory academic progress standards will be placed on financial aid warning for one semester. Financial Aid Warning may be assigned without an appeal or other action by the student. During this warning semester, a student will
continue to be eligible for Title IV funds. Only one semester of warning will be granted to students.

**Failure to meet Warning Semester Requirements**
If the minimum SAP standards are not achieved upon completion of the warning semester, all federal aid will be suspended.

**Appeals Process**
A student can appeal the suspension of their financial aid if one or more of the following situations occurred:
1. Death in the Family
2. Injury or Illness
3. Special Circumstances

When completing the appeals application the student must also disclose what has changed in their situation that will allow them to meet the SAP requirements at the end of the next evaluation. After completing the appeal, the director will determine if the student will be placed on Probation and/or Academic Plan. If approved for an Academic Plan, the terms of this plan will be mailed to the student. The student must acknowledge their Academic Plan by signing and return the plan requirements letter to the Financial Aid Office. During the Probation and/or Academic Plan semester, a student will continue to be eligible for Title IV funds. At the end of each payment period, while on Financial Aid Probation, the student must meet the terms of their Probation and/or Academic Plan to continue receiving Title IV Funds. Academic progress will be evaluated at the end of each semester. The results of this evaluation will be mailed to the student.

**Failure to meet Probation and/or Academic Plan Requirements**
If a student fails to meet the terms of their Probation and/or Academic Plan, financial aid will be suspended.

**Committee Appeals Process**
If the student wants to appeal this decision, the student must submit a committee appeals application to the financial aid office. Once the committee makes their decision, the Financial Aid Director will contact the student in writing.

**Quantitative Requirement – Time Frame (Length)**
As required by federal regulations, a student must complete the program of study (major) within a time frame not to exceed 150% of the published length of the program. All courses including, but not limited to, withdrawals, repeats and accepted transfer hours from another college, will be counted in the time frame. Students who reach the 150% limit will no longer be eligible to receive federal financial aid. A student is ineligible when it becomes mathematically impossible for him to complete his program within the 150% of the length of the program. An appeal may be considered on case-by-case bases.

**Other Required Considerations**
All coursework for students, including any semesters that students did not receive financial aid, will be included in the SAP review. **Incompletes:** A grade of “I” incomplete will count as an “F” in all financial aid calculations. Once the incomplete is removed, the actual earned grade will be used. The student will need to advise the financial aid office when the change is made.
Repeats: Students may repeat a passing course one time with a “D” or better and receive Title IV funds. Any additional repeats of the same course will not be Title IV eligible.

Add – Drops: Title IV financial aid will not be adjusted once late registration ends. However, all attempted classes, including dropped courses, will count toward your GPA and percent needed to continue eligibility.

Withdrawals: Students may withdraw from a class and receive no credit with a grade of “W.” Classes from which students withdraw will count in the hours attempted.

Developmental courses: These courses will be treated in the same manner as regular courses since students receive institutional credit and grades for these courses.

Transfer Credits: All credit hours from another institution, that are required courses for the student’s program, will count in the hours attempted. Credits hours received at a non-accredited institution, where Title IV funds were not received by the student, will not be included in the financial aid calculation of attempted hours.

RETURN OF TITLE IV FUNDS
A Title IV federal aid recipient who withdraws, officially or unofficially, from all classes on or before the 60% point of the academic term will be subject to repayment based upon the federal “Return of Title IV Funds” calculation.

SMCC REFUNDS
Any financial aid refunds will be mailed to the student’s home address between the 10th and 12th week of the term. All applicable registration fees, non-resident tuition fees, residence hall fees, and other outstanding financial obligations (including parking fees and fines) will be deducted from this award.

WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA) AND INDIVIDUAL TRAINING ACCOUNTS (ITAs)
WIOA provides ITAs to students certified at the WIN Job Center. ITAs cover tuition, books, and some fees for one to two semesters of job training in a SMCC Career-Technical Program listed on the Eligible Training Provider List. WIOA assistance is in addition to other student grants and/or scholarships. WIOA assistance is based on need and ability; however, it is not an entitlement program.

PERFORMANCE SCHOLARSHIPS (BAND, CHEERLEADING, MUSIC, ETC.)
If institutional scholarships exceed the cost of attendance, the balance will be credited to the student’s account and may be used in the college bookstore, cafeteria, or applied to student fees. These scholarships are awarded by the coordinating instructors.

1. Must be a full-time student or the scholarship will be prorated according to the number of hours enrolled throughout the semester. A part-time student’s scholarship could not exceed tuition.
2. Must maintain a 2.0 or higher GPA on all college work.

OTHER SCHOLARSHIPS
Contact the VP of Academic Affairs for information on Academic scholarships which are based on ACT and GPA. Students may apply for a SMCC Foundation scholarship at www.smcc.edu.

20. State Authorized Regulations Effective Date July 1, 2015 - Requirement to have state oversight and approvals – process to review and act upon student complaints about SMCC: http://www.mississippi.edu/mcca/downloads/studentcomplaintform.pdf
Southwest Mississippi Community College has an administrative procedure in place which is designed to receive, investigate, and resolve student complaints, whether academic or nonacademic. Students who fail to use existing appeals committees will forfeit their right to future due process.

Paper copies of documents are available upon request.

GENERAL REGULATIONS

Instead of detailed regulations designed to cover matters of student conduct, all students enrolled in SMCC are expected to conform to ordinary rules of polite society: to be truthful, to respect the rights of others, to have regard for the preservation of state and college property as well as the property of others, and to conform to all other stated rules and regulations of this institution. All students must have their SMCC ID Card on them at all times and surrender it to an SMCC administrator, faculty, police, or staff if it is requested. Refusal to surrender ID and/or give correct name incurs a $25.00 fine.

Students are expected to conform to conservative dress practices. Women should wear dresses that are the appropriate length. Tight slacks, shorts, or extremely short dresses are not allowed to be worn to classes, in the library, or in the Student Union. No midiblouses, halters, or unreasonably tight pants may be worn. No bare midriffs should be visible. Men’s pants cannot be worn low on the hips.

Dogs must be kept on a leash at all times and failure to do so will result in removal of said animal from campus with the owner.

DISORDERLY CONDUCT

Disorderly activities and disorderly or unlawful behavior, such as excessive noise, unauthorized use of loud speakers, use of profanity, creating a disturbance, engaging in fights, assaults, riots, unlawful assemblies, damage/destruction of property, menacing/stalking, misuse of college resources (i.e., electronic mail, computer services, copiers, etc.), violation of any civil, municipal, state, or federal law in college buildings or on campus, failure to identify upon request or to comply with directives of campus police or any college official while performing their duties is prohibited.
The college reserves the right to suspend any student for fighting, stealing, destroying property, committing vandalism, causing a disturbance, gambling, or not cooperating with any school official, cheating on examinations, or plagiarism in any form.

Plagiarism is literary theft, or stealing the words or ideas of another and using them as one’s own, using borrowed material without documenting. Avoid plagiarizing by giving the exact source of all reproduced, paraphrased, or summarized material according to recommended procedures, or acknowledging that the material is not original, but the source cannot be located or remembered. The penalty for plagiarism may be a failing grade on the plagiarized work, a failing grade for the course, or suspension from the institution.

<td><strong>Student Governance</strong> Students are encouraged to participate in the institutional decision making process. The college values the students’ thoughts and suggestions. The governance for the student body is through an active Student Government Association which is composed of a president, a vice-president, a secretary, a treasurer, and various student representatives. All students are encouraged to submit suggestions or recommendations to one of their Student Government Association Officers who will present them in the SGA meeting. Suggestions or recommendations shall be forwarded to the college administrative staff. If the SGA members cast a majority vote for sending a suggestion or recommendation to the administration, the SGA sponsor (Vice President for Student Affairs or delegate) will present it to the administrative staff and will report their response to the SGA. The SGA provides many activities for student life, and its officers and representatives serve on various college committees to help determine the direction of the institution.</td>

| **Due Process in Student Discipline** To protect its fundamental legal and moral integrity and the constitutional rights of its students and to meet the elemental requirements of fairness, an educational institution should guarantee procedural safeguards to students involved in disciplinary cases. Although disciplinary hearings on campus are not entirely analogous to adversary proceedings in courts of law, they will be conducted in a fair and judicious manner, with the aim of lessening the likelihood of error or prejudice. The procedure will incorporate the basic elements of what has become commonly recognized as due process. |

| **Student Obligation** Since the founding of SMCC, high standards of conduct have characterized Southwest students. A student enrolling in the college assumes the obligation to become acquainted with the rules and regulations, and while on the campus is expected to conform to the stated standards of conduct. Violators of these standards will be subject to disciplinary action. |

| **Purpose of Discipline** The broad purpose underlying student discipline is to structure college living in such a way that the interests of the college community as a whole and of the individual members are best served. The college’s responsibility extends to the conduct of all SMCC students. Those apprehended and proven guilty of serious or repeated violations of college standards may be dismissed from the college. |
Responsibility Students who register at SMCC agree to conform to its regulations and policies. A student is subject to the laws of the community and the state, and enrollment as a student in no way relieves him/her of this responsibility. The fact that civil authorities have imposed punishment will not prevent the college from protecting its own educational purposes and community by taking suitable action against the student under college regulations.

Authority The ultimate authority to administer discipline is vested in the President, subject only by the Board of Trustees. The Vice President for Student Affairs or his designee is responsible for referring disciplinary cases to the discipline committee who will ascertain the facts and submit their recommendations to the President for final action.

Disciplinary Action In extreme cases, the President or his designee may take prompt and decisive disciplinary action before there is an opportunity to conduct a hearing, as in cases in which a student’s continued presence on campus constitutes an immediate threat to the well-being or property of members of the college community or to the orderly functioning of the college. Students suspended under such conditions will receive a prompt hearing on the charges against them.

Off-Campus Misconduct In general, the College does not take disciplinary action for off-campus conduct when court action is pending or has taken place. However, the College reserves the right to take action in such instances when the misconduct constitutes a violation of the College community. In such cases, the College may initiate action whether or not legal action has been taken.

Discipline Committee The college works with the discipline committee to afford fair and reasonable consideration to every student who is accused of violating one or more of the regulations of the college. A student so charged has the following rights:

a. The student shall be notified at least three days in advance of the time and the date of the hearing, the place of the hearing, the charges to be brought against the student, the right to have witnesses on his/her behalf at the hearing, and the student’s right to appeal.

b. Each individual appearing at the hearing will be asked to sign a statement attesting to the truth of his/her statement made before the committee.

c. The charges against the student shall be read before the committee, in the presence of the student.

d. The student will be asked to plead “compliant” or “non-compliant” to the breaches of conduct.

e. The evidence against the student shall be presented to the committee in the presence of the student.

f. The student shall be allowed to present his/her evidence and to present witnesses on his/her behalf. If a Title IX complaint then both parties have this opportunity.
g. The decision of the committee shall be transmitted to the student in writing.

h. The decision of the committee may be appealed to the committee appointed by the President of SMCC. The committee appointed by the President will be the final appeal.

---

**DISCIPLINARY ACTIONS**

1. Disciplinary probation or other action may be imposed by the Vice President for Student Affairs in lieu of an appearance before a disciplinary committee. Provided the student agrees to such action as imposed, the student will sign a statement of acceptance which will be maintained in his/her personal record.

2. Separation of the student from the college by the discipline committee and/or Vice President for Student Affairs may take any of the following forms:

   a. Suspension for a definitely stated period of time within any on-going semester.

   b. Suspension for a longer, but definitely stated period of time.

   c. Indefinite suspension with a date established for the privilege of applying for readmission. Such application will be reviewed and acted upon by the committee.

   d. Expulsion, which implies permanent separation from the college.

3. The Vice President for Student Affairs or his designee will be present at each meeting to confer with the discipline committee chairman at his request about procedure. The Vice President for Student Affairs shall designate the person who will present evidence to the committee on behalf of the college. Three members of the committee will constitute a quorum.

4. The details relating to all disciplinary cases are confidential, and records are maintained in the Office of the Vice President for Student Affairs. These files are not available to anyone outside the area of Student Services without approval of the appropriate Vice President.

5. The discipline committee shall be approved by the college President. The chairman shall be appointed.

6. A record of all disciplinary committee hearings will be kept until the student graduates or transfers to another institution. The Vice President for Student Affairs maintains under strict security permanent records concerning the conduct of college students. When a student requests an official transcript of his college record to support an application for transfer to another institution of higher learning or to include in an application for employment, the Vice President for Student Affairs will decide if a record of disciplinary action should be included. Such determination considers two objectives: protecting the interests of the student and observing ethical standards in working with agencies or individuals receiving college transcripts.
7. **Conduct of Hearing**

   a. The college promises to all students’ acquisition to due process.

   b. Hearings will not be open to the public.

   c. Records of the discipline committee proceedings will be made. Records will be kept by the Vice President for Student Affairs in a locked file. Only those persons directly involved in a case may have access to these records.

   d. The hearings will be conducted in an orderly manner.

   e. The accused will have an opportunity to be heard in their own defense. All recommendations of action shall be based upon the evidence presented and shall be in compliance with policies, rules, and regulations.

   f. The accused will have the opportunity to hear and refute all testimony against him/her, to present any evidence in his/her own behalf, to reply to charges in his/her own words, and to present testimony in his/her behalf or have others present to testify in his/her behalf. The accused is the only individual allowed to speak with the committee unless express permission is granted by the chair of said committee.

   g. All matters upon which the decision is based must be introduced during the hearing.

   h. The committee will consider the case in private and will deliver the verdict to the student in writing.

   i. The student must request a hearing within three business days.

**STUDENT COMPLAINT PROCEDURE**

Southwest Mississippi Community College has an administrative procedure in place which is designed to receive, investigate, and resolve student complaints, whether academic or nonacademic. Students who fail to use existing appeals committees will forfeit their right to future due process.

Any student who wishes to make a formal complaint regarding a college program, a service of the college, an employee of the college, or any other individual or aspect of the college must take the following steps within five school days of the incident:

1. Discuss the problem with the faculty member, staff member, or administrator involved and/or use existing appeals committees where available prior to initiating formal complaint procedures under this policy. If informal efforts are not productive or appropriate in resolving the complaint, the student proceeds to steps 2 and 3.

2. Contact the Vice President for Student Affairs. 1156 College Drive, Summit, MS 39666.
3. Express the nature of the complaint and pertinent information in writing to the
Vice President for Student Affairs.

A written response will be made to the student within 15 business days. Students who are not satisfied with the resolution of the investigating officer shall have the right to appeal to a grievance committee. This appeal must be made within 3 business days after the decision by the investigating officer. The grievance committee will be appointed by the President of the college and will consist of two administrators and two faculty not directly involved in the alleged problem, and the original investigating official. The decision of the grievance committee is considered final. A written response will be made to the student within 5 business days. No adverse action will be taken against a student for filing a complaint.

**Rights of Privacy/Notification of Rights Under FERPA**

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student’s education records within 45 days of the day the college receives a request for access. A student should submit to the registrar a written request that identifies the record(s) the student wishes to inspect. The college official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask the college to amend a record should write the college official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the college decides not to amend the record as requested, the college will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the college discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent. The college discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the college in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the college has contracted as its agent to provide a service instead of using college
employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the college.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the college with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, DC 20202-5901

Southwest Mississippi Community College will release directory information to any reasonable inquiry about any student unless the student has notified the registrar’s office in writing. This written request to Southwest Mississippi Community College complies with all provisions of the federal law entitled Family Educational Rights & Privacy Act (FERPA). Copies of a policy statement indicating the records affected by this law, the student’s rights and obligations and the college’s rights and obligations may be obtained in the Registrar’s Office. Directory information includes the student’s name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees received, honors and awards earned, the most recent educational agency attended by the student, e-mail address, and other similar information.

**FERPA Annual Notice to Reflect Possible Federal and State Data Collection and Use**

As of January 3, 2012, the U.S. Department of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records – including your social security number, grades, or other private information – may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal – or state – supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State authorities may allow access to your records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restrictions and data security promises from the entities that they authorize to receive your PII, but the authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other federal or state data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.
SMCC is in compliance with the requirements of Title IX of the Educational Amendments of 1972, which prohibit sex discrimination in federally assisted educational programs.

“No person in the United States shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance…”

- SMCC will initiate a preventative education program in order to educate its students as to what sexual violence is and seek to prevent sexual violence by educational programing, awareness promotion, and preventative measures.
- After SMCC Campus police and/or the Vice-President for Student Affairs has been informed of possible sexual violence, the college will take immediate and appropriate action to investigate or otherwise determine the facts of the incident. A student who is a victim may also, but is not required to, press charges.
- If sexual violence has occurred, SMCC will take prompt and effective steps to end the sexual violence, prevent its recurrence, and address its effects, whether or not the sexual violence is the subject of a criminal investigation.
- SMCC will take steps to protect the complainant as necessary, including interim steps taken prior to the final outcome of the investigation.
- SMCC has provided a grievance procedure for students to file complaints of sex discrimination, including complaints of sexual violence. These procedures include an equal opportunity for both parties to present witnesses and other evidence and the same appeal rights.
- SMCC’s grievance procedures use the preponderance of the evidence standard to resolve complaints of sex discrimination.
- SMCC will notify both parties of the outcome of the complaint.

Questions and complaints may be directed to Dr. Brent Gregory, Vice President for Student Affairs, Title IX Coordinator. You may write to SMCC, 1156 College Drive, Summit, MS 39666, or call 601-276-3717.

Investigative process: The investigation may include, but is not limited to, conducting interviews of the complainant, the alleged perpetrator, and any witnesses; reviewing law enforcement investigation documents, if applicable; reviewing student and personnel files; and gathering and examining other relevant documents or evidence. While a school has flexibility in how it structures the investigative process, for Title IX purposes, a school must give the complainant any rights that it gives to the alleged perpetrator. A balanced and fair process that provides the same opportunities to both parties will lead to sound and supportable decisions. Specifically:

- Throughout the investigation, the parties must have an equal opportunity to present relevant witnesses and other evidence.
- SMCC will use a preponderance-of-the-evidence (i.e., more likely than not) standard in any Title IX proceedings, including any fact-finding and hearings.
- Both parties are allowed to have lawyers or other advisors at any stage of the proceedings; it must do so equally for both parties. Lawyers or other advisors may not speak or otherwise participate in the proceedings and applies equally.
- If the school permits one party to submit third-party expert testimony, it must do so equally for both parties.
If the school provides for an appeal, it must do so equally for both parties.
Both parties must be notified, in writing, of the outcome of both the complaint and any appeal.

**THE CAMPUS SAVE ACT**

The Campus Sexual Violence Elimination Act (SaVE Act) was passed in March 2013 as part of the Violence Against Women Reauthorization Act (VAWA). The Campus Sexual Violence Elimination Act imposes expanded crime reporting obligations, and, even more significant in the long run, it requires institutions to implement specific policies, procedures, and training related to sexual violence and intimate partner violence.

Southwest Mississippi Community College prohibits Sexual Violence, Domestic Violence, Dating Violence, and Stalking. In determining what offenses to report under the Clery Act, SMCC uses the following definitions:

- "Domestic violence" includes asserted violent misdemeanor and felony offenses committed by the victim's current or former spouse, current or former cohabitant, person similarly situated under domestic or family violence law, or anyone else protected under domestic or family violence law.
- "Dating violence" means violence by a person who has been in a romantic or intimate relationship with the victim. Whether there was such relationship will be gauged by its length, type, and frequency of interaction.
- "Stalking" means a course of conduct directed at a specific person that would cause a reasonable person to fear for her, his, or others' safety, or to suffer substantial emotional distress.

**CAMPUS SEXUAL ASSAULT VICTIMS' BILL OF RIGHTS**

Public Law: 102-325, section 486(c)

- Accuser and accused must have the same opportunity to have others present.
- Both parties shall be informed of the outcome of any disciplinary proceeding.
- Survivors shall be informed of their options to notify law enforcement.
- Survivors shall be notified of counseling services.
- Survivors shall be notified of options for changing academic and living situations.

The United States Congress enacted the "Campus Sexual Assault Victims' Bill of Rights" in 1992 as a part of the Higher Education Amendments of 1992 (Public Law: 102-325, section 486(c)). It was signed into law by President George Bush in July of 1992.

This law requires that all colleges and universities (both public and private) participating in federal student aid programs afford sexual assault victims certain basic rights. It also requires the school to notify victims of their option to report their assault to the proper law enforcement authorities. Schools found to have violated this law can be fined up to $35,000 or lose their eligibility to participate in federal student aid programs. Complaints about schools that have failed to comply with this law should be made with the U.S. Department of Education.

The "Campus Sexual Assault Victims' Bill of Rights" exists as a part of the campus security reporting requirements, commonly known as the Jeanne Clery Act, of the federal law that establishes all student aid programs, the Higher Education Act of 1965.

**POLICY ON SEXUAL MISCONDUCT & HARASSMENT**

Sexual harassment, like harassment on the basis of race or religion, is a form of discrimination prohibited by Title VII of the Civil Rights Act of 1964, and Title IX as well. With the adoption of this policy on sexual harassment, SMCC (College) demonstrated its continued commitment to upholding the rights of individuals – whether
students, faculty, or staff – to study and work in a place free of intimidation, fear, reprisal, or coercion. The “Policy on Sexual Harassment” is published in the SMCC Faculty Handbook and the SMCC Student Handbook. The college reaffirms this policy specifically as it pertains to prevention of sexual harassment and to the obligations of male and female students, faculty, administrators, and staff in their capacities as teachers and colleagues.

It is the policy of the college that no male or female member of the college – students, faculty, administrators, or staff – may sexually harass any other member of the college. Sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute harassment when:

- Submission to such conduct is made or threatened to be made, either explicitly or implicitly, a term or condition of an individual’s employment or education;
- Submission to or rejection of such conduct by an individual is used or threatened to be used as the basis for academic or employment decisions affecting that individual; or
- Such conduct has the purpose of substantially interfering with an individual’s academic or professional performance or creating what a reasonable person would sense as an intimidating, hostile, or offensive employment, educational, or living environment.

The administration of the college is responsible for ensuring that there is a timely and thorough investigation of all complaints. A member of the college who believes that he or she has been the victim of sexual harassment as defined above or who becomes aware of an incident of sexual harassment as defined above should bring any such matter to the attention of either the appropriate administrator or the Vice President for Student Affairs, as he or she prefers. A fellow student, staff member, or faculty member may accompany an individual who wishes to make a complaint as the complainant desires. The person receiving the complaint should immediately seek to resolve the matter by informal discussions with the person involved. If the complainant or the alleged offender is not satisfied with the proposed resolution, he or she may secure review of the matter by the President of the College, Vice President for Academic Affairs, the Vice President for Student Affairs, or the Vice President for Career-Technical Education, as appropriate.

If the suggested procedure outlines above do not result in a satisfactory resolution of a complaint, members of the college retain the right to file formal complaints in cases of alleged sexual harassment. Complaints against students are filed with the Vice President for Student Affairs; against faculty and staff, with the Vice President for Academic Affairs; against career-technical instructors and staff, with the Vice President for Career-Technical Education; and all other staff and administrators, with the President of the College.

The college will take appropriate steps to ensure that a person who in good faith brings forth a complaint of sexual harassment will not be subjected to retaliation. The college will also take appropriate steps to ensure that a person against whom such a complaint is brought is treated fairly, has adequate opportunity to respond to such accusations, and that findings, if any, are supported by clear and persuasive evidence. Complaints of sexual harassment shall be handled confidentially, with the facts made available only to those who need to know, in order to investigate and resolve the matter. The complainant and the person complained against will be notified of the final disposition of the complaint.
If a complaint of sexual harassment is found to be substantiated, appropriate corrective action will follow, up to and including separation of the offending party from the college, consistent with college procedures.

**DRUG AND ALCOHOL PREVENTION PROGRAM (DAAPP)**

In keeping with its educational mission, Southwest MS Community College will emphasize educational strategies in addressing problems related to the abuse of alcohol and other drugs by any member of the college community (students, faculty and staff). However, any of those who violate the drug and alcohol abuse policy will be subject to prosecution by the civil authorities and to disciplinary action by the college. Thus, all employees, athletes, cheerleaders must undergo drug testing.

The Board of Trustees of Southwest MS Community College adopts this plan to accomplish the following:

1. Aid in the prevention of alcohol and other drug abuse through strong educational efforts;

2. Encourage and facilitate counseling and rehabilitation programs by those members for the academic community who need assistance with alcohol and/or other drug related problems; and

3. Discipline appropriately those members of the SMCC academic community who engage in substance abuse and/or related behaviors while maintaining confidentiality. This policy is in accordance with Miss. Code Section 71-7-3.

**Education and Prevention Efforts**

Southwest Mississippi Community College will provide educational programs aimed at preventing the abuse of alcohol and other drugs. Educational efforts shall be directed toward all members of the college community and will include information about the incompatibility of the abuse or sale of alcohol and other drugs with the goals of Southwest MS Community College; the health hazards associated with the abuse of alcohol and other drugs, the incompatibility of the abuse of alcohol and other drugs with the maximum achievement of educational, career, and other goals. In addition, the potential legal consequences of such involvement with alcohol and other drugs.

**Drug Test**

Southwest Mississippi Community College will require all current administrators, faculty and staff to be drug tested by August 15, 2005. All new employees will be drug tested and are subject to a criminal background check prior to employment. All employees will be subject to a random drug test throughout each school year or anytime there is reasonable cause. Employees will be tested for: heroin, cannabis, mescaline, lysergic acid, diethylamide or LSD, opium, cocaine, amphetamine, MDMA or ecstasy, methaqualone. Any employee failing a drug test will be allowed to take a second test on the same day, at the employee’s expense, at a site selected by the administration. If an employee who fails a drug test voluntarily submits to treatment or rehabilitation agencies, then they will have another drug test upon completing treatment. For employees working in good faith with treatment or rehabilitation agencies, every attempt will be made to return the individual to full employment or student status. However, any employee who cannot pass an acceptable drug test will no longer be employed by Southwest Mississippi Community College. If an employee refuses to take a drug test, then they are in violation of the
DAAPP. If a potential employee refuses, then a job offer may be rescinded. Athletes, cheerleaders, athletic aids, and band members will also be drug tested. All students required to be tested will be given a copy of the drug testing policy for students.

**Counseling and Rehabilitation Services**
Those students, faculty, or staff who seek assistance through the college for an alcohol or drug related problem will be provided with information about counseling and rehabilitation services available through the college and/or community resources. Professional standards of confidentiality shall be observed at all times. Individuals will be encouraged to voluntarily avail themselves of services. For those working in good faith with treatment or rehabilitation agencies, every attempt will be made to return the individual to full employment or student status. The abuse of alcohol and/or drugs is harmful to the individual's health and may cause serious health problems, break down of the family structure, decrease productivity in the workplace, and impair the education and learning process.

Drug and alcohol counseling and referral services are available to the college community through the H.R. Department/Counseling. A complete listing of drug and alcohol counseling, treatment, rehabilitation, and re-entry programs is also available to employees and students of this college (within this document).

**Students**
Students must make their own arrangements to pay for treatment and/or substance abuse counseling; however the Office of Academic counseling and recruiting in addition to career and technical counselors will make referrals based upon student need.

**Employees**
Employees who are members of the State & School Employees' Health Insurance Plan have the following options; information about this benefit can be obtained from the department of human resources in Kenna Hall.

Benefits are provided for inpatient, residential treatment facility, intensified outpatient program, and outpatient substance abuse treatment. All inpatient hospital and residential treatment facility admissions for substance abuse treatment must be certified as medically necessary by ActiveHealth. Refer to the Medical Management and Utilization Review section for certification requirements.

Intensified Outpatient Program: as provided for the treatment of substance abuse, intensified outpatient program refers to a program provided as a continuation of inpatient substance abuse treatment prescribed by a physician, under the management of a substance abuse provider, which is licensed or certified by the appropriate state or federal agency and is approved by the Plan.

**Southwest Mississippi Community College Drug Education and Testing Program for Athletes and Athletic Aids.**

SMCC is very interested in the academic performance and athletic development of all young men and women who represent this institution in all arenas. Since our society has many problems associated with certain drug and alcohol use that cause great concern, SMCC is especially interested in our college students’ abilities to avoid these problems.
To address such activity, the SMCC Athletic Department shall develop and implement a program of drug and alcohol education for all athletes, managers, trainers and all students working with the athletic program; a testing program to identify those students who are involved with the use of drugs and/or alcohol; and special counseling and assistance to enable the involved student to become and remain drug and alcohol free. Administrative procedures shall be set forth by which the student will become and remain drug and alcohol free in order to continue in the applicable program.

The SMCC Athletic Department administers a program of drug prevention for the purpose of assisting athletes, managers, trainers and all students working with the athletic program (who, for this document, will be termed athletic aides). The objectives of the program are as follows:

1. To provide the student athlete and athletic aides information on the dangers of drug and alcohol use and abuse.
2. To identify those athletes and athletic aides involved in drug and alcohol usage by administering mandatory drug tests at the beginning of the fall semester or prior to their initial season of competition, by administering unannounced random drug tests throughout the year, and by administering drug tests due to an athlete’s or athletic aid’s association with drug paraphernalia or possession.
3. To maintain confidential records and recommend treatment for those individuals with drug and/or alcohol use problems. According to MACJC rules, a student athlete who tests positive for drugs and is dismissed from the SMCC athletic program may not participate at another member’s (MACJC) school athletic programs for a period of two calendar years.
4. To remove from the SMCC athletic programs any athlete or athletic aide who tests positive for the following controlled substances as defined by Section 41-29-101 et. Seq. of the Mississippi Code of 1972 being the Mississippi Uniform Controlled Substances Law, and their derivatives to include: Amphetamines, Barbiturates, Cannabinoids (Marijuana), Cocaine Metabolite (as Benzoyl-Ecgonine) Opiates, Phencyclidine, THC Metabolite and Steroids. To remove from the SMCC athletic programs any student that has a second alcohol violation.

The following procedures shall be used in the operation of the SMCC Drug Education and Screening Program:

1. All athletes, cheerleaders and athletic aides participating in every sport/event will take part in a mandatory drug screening conducted by the Office of the Vice-President for Student Affairs at the start of the fall semester or prior to student’s participation in said sport/event for the school year and in random drug tests throughout the school year. All athletes and athletic aides can additionally be required to take a drug test if drug paraphernalia is found in their dorm room, on their body, or in a vehicle of their possession or location.
2. All athletes and athletic aides will be required to sign a consent form for drug screening and room searches giving Southwest Mississippi Community College permission to search their dorm room and test the athlete and athletic aide for drug use. Students less than 18 years of age will be required to have their parents or guardians to sign the consent form before they will have any scholarship awarded and before being allowed to participate in any SMCC athletic activities or live in the dorm.
3. All students will report to the appropriate official any prescribed medication and may have to present a copy of the doctor’s prescription and any over-the-counter medication they are taking prior to any drug test.
4. The drug test will monitor for the substances listed in Objective 4 (page 1) of SMCC Student Handbook: as defined by Section 41-29-101 et. Seq. Of the Mississippi Code of 1972 being the MS Uniform Controlled Substances Law, and their derivatives to include: Methamphetamine, Amphetamines, Barbiturates, Cannabinoids (Marijuana), Cocaine Metabolite (as Benzoylecgonine) Opiates, Phencyclidine, MDMA (Ecstasy), and THC Metabolite and anabolic steroids.

5. Urinalysis will be used on collected urine samples to determine that a student is drug free. Hair tests or other tests may be used.

6. Steps will be taken to ensure proper collection, identification, and confidentiality when urine samples are collected.

7. Alcoholic drinks will be included as illegal substances. It is against the state law of Mississippi to have alcoholic drinks on a college campus. Use, possession, or being under the influence of alcohol will carry the following penalties: 1st Offense – The athlete or athletic aide will be fined $75.00 for possession on campus. For any alcohol violation the athlete or athletic aide will be subjected to additional discipline by his/her coaches/director. 2nd Offense – The athlete or athletic aide will be fined $150.00 for possession on campus. For a second alcohol violation the athlete or athletic aid will be suspended from the athletic team and may have to move out of the residence hall.

8. Drug test results will be made known to the athletic director, VP of Student Affairs, and head coach.

9. In the event of a positive drug screen the student has the option to pay to have the sample sent to a lab (selected by SMCC) for confirmation. The student may consent in writing to have the fee charged to his/her student account. If student does not request the sample to be tested by the lab or refuses to take the drug test, then he/she is found to be in violation of the SMCC Drug Education and Screening Program and will be treated as though he/she is a first positive drug test. The student may not participate in the athletic program until the results from the lab are returned.

The following actions will be taken:

Searches will be performed by handlers and canines trained in the detection of illegal drugs/narcotics.
Canines will be allowed to search areas such as residence hall rooms, offices, and vehicles after the canine alerts to one of these areas, thus developing probable cause. Once probable cause is established, the canine will be allowed to enter the room/office/vehicle and continue searching.

**SOUTHWEST MISSISSIPPI COMMUNITY COLLEGE MISSING PERSONS POLICY AND PROCEDURE**

**Purpose and Definition**

The purpose of this policy is to establish procedures for the college’s response to reports of missing students, as required by the Higher Opportunity Act of 2008.

The Higher Education Opportunity Act requires institutions of higher education to establish:

- A missing student notification policy for students who reside in on-campus housing.
- A process for students to register a confidential contact for use under the policy.
- Procedures to implement this policy for students who reside in on-campus housing.

For purposes of this policy, a student may be considered to be a “missing person” if the person is found to be missing or absent from the college for a period of more than 24 hours contrary to his/her usual pattern of behavior and unusual circumstances may have caused the absence. A student will be considered missing immediately, if his/her absence has occurred under circumstances that are suspicious or cause concerns for his/her safety. Such circumstances could include, but not be limited to, reporting or suspicion that a missing person may be the victim of foul play, has expressed suicidal thoughts, is drug dependent, is in a life threatening situation, or has been with persons who may endanger the student’s welfare.

**Procedures**

If there is reason to believe a student at Southwest Mississippi Community College is missing, all possible efforts are made to locate the student to determine his or her state of health and well-being through the collaboration of SMCC Campus Police Department and the Office of Student Affairs.
Official Notification Procedures for Missing Person

1. Any individual on campus who has information that a residential student may be a missing person must notify either SMCC Campus Police Department or the Office of Student Affairs.

2. The department which receives the information will conduct an investigation to verify the complaint and determine circumstances which exist relating to the reported missing student. If the student’s absence is verified, the incident report will be shared between both departments and they will continue the investigation to locate the missing student.

3. SMCC Campus Police Department should enlist the aid of the neighboring police agency having jurisdiction.

4. Appropriate SMCC faculty, staff, and administration will be notified to aid in the search of the student.

5. The Office of Student Affairs and SMCC Campus Police Department will gather information about the residential student from the reporting person, any of the student’s acquaintances, SMCC faculty, staff, and administration. These things include but are not limited to:
   - Description
   - Clothes last worn
   - Where student might be
   - Who student might be with
   - Vehicle description
   - Information about the physical and mental well-being of the student
   - Up-to-date photograph
   - Class schedule
   - Last class/event attended
   - Work schedule

If the student is located, verification of the student’s state of health and intention of returning to the campus is made as well as appropriate referrals to the Director of Counseling if needed.

If the student is not located within 24 hours of the report or if it is apparent immediately that the student is a missing person, SMCC Campus Police Department or the Office of Student Affairs will contact the Pike County Sheriff’s Department to report the student as a missing person and the Pike County Sheriff’s Department will assist in the investigation.

6. No later than 24 hours after determining that a residential student is missing, the Vice President for Student Affairs and SMCC Police Chief or his designee will notify the confidential emergency contact (*for students 18 and over) or the parent/guardian (for students under the age of 18) that the student is believed to be missing.
   *Contact is contingent upon the correct emergency contact information being made available by the student.

Procedures for Designation of Confidential Emergency Contact Information
In accordance with the Higher Education Act of 2008, all students may register, on a voluntary basis, a confidential contact with the Director of Student Activities and
Housing. The confidential contact does not have to be a parent of the student. This is the individual who be updated as to the progress of the investigation into the missing person. A confidential emergency designee will remain in effect until changed or revoked by the student. In the event a student is under 18 years of age, and has not been legally emancipated, the student’s parent will also be contacted.

Students are encouraged to stop by Student Services, located in Kenna Hall, to receive a Missing Person’s Packet. These packets contain forms to be filled out and kept in a secure location. In the event a student is reported missing, a family member or trusted friend should deliver this packet to the appropriate law enforcement agency to assist in locating the missing person.

A student can be reported missing at any time. The SMCC Campus Police Department will conduct a thorough investigation into all persons reported missing immediately. SMCC Campus Police Department will also enlist the assistance of the Pike County Sheriff's Department and other appropriate law enforcement agencies to locate the missing person.

If a Southwest Mississippi Community College residential student is suspected missing from the campus, immediately contact a member of the Residence Hall Staff within the student’s residence hall. A member of the Residence Hall Staff will contact the Director of Student Activities and Housing, the Vice President for Student Affairs, or the SMCC Campus Police Department.

All reports of missing persons made to the Office of Student Affairs and/or SMCC Campus Police Department are followed up with an on-going investigation. If determined by the SMCC Campus Police Department that a student for whom a missing person report has been filed has been missing for more than 24 hours, then within the next 24 hours the college will:

- Notify the individual identified by the student as the missing person contact;
- If the student is under 18 years old, the college will notify a parent or guardian; and;
- In cases where the student is over 18 and has not identified a person to be contacted, the college will notify the appropriate law enforcement officials.

### Miscellaneous Information

### Campus Terminology

**ALMA MATER** – Is your school/college. The term is also used to refer to the school/college song.

**ADVISOR** – The advisor is a member of the faculty who helps you in planning your program. The advisor assists students in developing a student class schedule.
ALUMNI – The alumni refer to past students of SMCC.

BASIC REQUIREMENT – Terms used to specify certain courses that must be taken in order to meet graduation requirements or requirements within certain departments or divisions.

BEARS – The SMCC mascot is a bear. The athletic teams are referred to as the Bears.

COURSE NUMBER – Each course has a designated number. Usually the 1000 courses are considered freshman courses, and the 2000 courses, sophomore courses, although there is not a set policy that students must take all 1000 courses the freshman year or all 2000 courses the sophomore year. However, certain courses have prerequisites.

COURSE OF STUDY – The sequence of courses which a student takes in earning credit in his major field.

COMPUTATION OF QUALITY POINTS – Letter grades carry point value. An A is equal to 4 points per semester hour, B is equal to 3 points, C is equal to 2 points, D is equal to 1 point, and F is equal to 0 points.

An example computation for quality points per course is as follows:

<table>
<thead>
<tr>
<th>Course</th>
<th>Semester Hours</th>
<th>Grade</th>
<th>Points</th>
</tr>
</thead>
<tbody>
<tr>
<td>Math</td>
<td>3</td>
<td>C</td>
<td>6</td>
</tr>
<tr>
<td>Sociology</td>

<tr>

<td>3</td>
<td>A</td>
<td>12</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>12</strong></td>
<td></td>
<td><strong>30</strong></td>
</tr>
</tbody>
</table>

Total quality points = 30 divided by 12 (the number of hours) equals 2.5 quality point average.

ELECTIVE – This term denotes any course which a student may elect to take that is not prescribed within his major field.

MAJOR – The term that denotes the subject or special area which a student chooses as a specialization.

MINOR – The term denotes the minor or secondary area of study or concentration. This area is usually related to the major area.

SGA – The SGA is the abbreviation for The Student Government Association.

TRANSCRIPT – The transcript contains pertinent data concerning each student, such as grades and various personal data. Each student must have a high school transcript filed in the Registrar’s Office.
