Dear Students:

We have had a great school year with many students excelling in state and national competitions, and our nursing students winning the Mississippi Scholars Bowl for nursing. Our athletic teams have been very competitive, with women's basketball advancing to the state playoffs and several other teams coming very close to making the playoffs. Our track team has also excelled in their meets; our stage band, concert band and choirs have presented outstanding performances. Thank you for representing SMCC in an excellent manner. On behalf of the SMCC Board of Trustees, administration, faculty and staff, I would like to thank every one of our students for attending Southwest Mississippi Community College. We wish the very best for our students transferring to senior colleges or going to work. We look forward to helping all of our returning students. You have made this a very successful and rewarding year for all of us at Southwest Mississippi Community College. I will keep all of you in prayers especially those going on missions in the U.S. and foreign countries. If you will, please keep this college in your prayers.

Sincerely yours,
Oliver Young
President
