Mississippi Well Drillers Continuing Education Seminar

February 25, 2012

Take Exit 20A off Interstate 55 and travel east toward Summit. At the four-way stop, continue east on Hershel Grady Memorial Highway and look for signs on the right side of the highway directing you to the campus of Southwest MS Community College. Turn in at campus, take first left and the Fine Arts Building will be on the right.

Local Hotel Recommendations:

Instructors

CLINTON DUNN

SMCC Well Construction Technology Instructor

Clinton Dunn graduated from SMCC Rotary Drilling in the spring of 1992. He worked for Layne Co. in Jackson, MS, on drilling and pump crews installing commercial/industrial water wells from 1992-1997. He also has worked for Fitzgerald Well Service in McComb, MS, drilling and installing water systems for residential/agricultural water wells from 1997-2008. Clinton is currently the instructor of the Well Construction Technology program at SMCC since 2008.

DAVID ROBERTS

Bariod Senior Account Representative

David Roberts started his career in the Drilling Fluids Industry in 1972. He is a 30 year employee with Bariod, currently working as an Account Representative in Technical Sales Support for Bariod Industrial Drilling Products, a Halliburton Company. His office is in Laurel, MS, and he covers the southeastern U.S.

STEVE ULRICH

Franklin Electric Regional Manager-Technical Service

Steve Ulrich started in the water systems business in 1976 working for Jacuzzi Bros. He worked his way from warehouseman to branch manager and in 1986 relocated to Little Rock, AR, to become the company's distribution manager. In 1988 he began working for Aermotor Pumps located in Conway, AR, where he served as Product & Marketing Manger for 12 years. He then took a position as an outside salesman. In 2002 he rejoined Jacuzzi (known then as JBD) which was acquired shortly thereafter by Franklin Electric where he conducts training seminars about pumps, motors, and controls. He also visits problem jobsites to help with troubleshooting.
