2025-2026 Dependent Verification Worksheet

Your 2025–2026 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law says that before awarding Federal Student Aid, we may ask you to confirm the information you reported on your FAFSA. To verify that you provided correct information, we will compare your FAFSA with the information on this institutional verification document and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You must complete and sign this institutional verification document, attach any required documents, and submit the form and other required documents to us. We may ask for additional information. This information should be submitted as soon as possible so that your financial aid will not be delayed.

As a result, the parent should not include any unborn children in the family size.

If more space is needed, provide a separate page with the student’s name and ID number at the top.
