

Southwest Mississippi Community College

Practical Nursing Program

Application is due by June 15

Program Information and Application

Southwest Mississippi Community College does not discriminate on the basis of race, color, national origin, age, sex, religion, or disability in its programs, activities or employment practices. The following persons have been designated to handle inquiries and grievances regarding the non-discrimination policies: Mrs. Rhonda Gibson, Director of Disability Support Services, 601-276-3885; Mr. Blake Brewer, Vice President for Student Affairs and Title IX Coordinator, 601-276-3717; SMCC, 1156 College Drive, Summit, MS 39666.

GENERAL INFORMATION

The Practical Nursing program prepares the individual to assist in providing general nursing care requiring basic knowledge of the biological, physical, behavioral, psychological, and sociological science, and of nursing procedures which do not require the substantial skills, judgment, and knowledge required of a registered nurse. This care is performed under the direction of a registered nurse, physician, or dentist.

Graduates of the twelve-month program will be awarded the Certificate of Practical Nursing and may apply for licensure to the Mississippi Board of Nursing. Graduates will be eligible to take the National Council Licensure Examination (NCLEX-PN®).

Students who complete the program requirements, three semesters, as identified by the Mississippi Community College Board, will be eligible to apply for LPN licensure. The graduate of the program functions as a provider of care and a member of a profession. This curriculum references the Client Needs and Integrated Process Categories from the Test Plan for the National Council Licensure Examination for Licensed Practical/Vocational Nurses.

MISSION STATEMENT

The Practical Nursing (PN) program supports the mission and goals of the College. The PN program is designed to prepare graduates for entry level nursing practice in a variety of health care settings by providing a quality educational program using a curriculum that is in compliance with the Mississippi Curriculum Framework for practical nursing programs.

ACT scores and transcripts must be submitted to the Registrar’s office. Nursing programs at SMCC require applicants to complete the science section of the ACT as part of the admission process.

Information related to applying for licensure to practice as a Licensed Practical Nurse, upon completion of the Practical Nursing Program, is contained in the Mississippi Nursing Practice Law (Effective Date: July 1, 2010). Graduates must apply to the Mississippi Board of Nursing to write the National Council Licensure Examination for Licensed Practical Nurses (NCLEX-PN) ®. In addition to the requirements specified in paragraphs (a) through (e) of this subsection, in order to qualify for a license to practice as a licensed practical nurse, an applicant must have successfully been cleared for licensure through an investigation that shall consist of a determination as to good moral character and verification that the prospective licensee is not guilty of or in violation of any statutory ground for denial of licensure as set forth in Section 73-15-29 or guilty of any offense specified in Section 73-15-33. To assist the board in conducting its licensure investigation, all applicants shall undergo a fingerprint-based criminal history records check of the Mississippi central criminal database and the Federal Bureau of Investigation criminal history database. Each applicant shall submit a full set of his or her fingerprints in a form and manner prescribed by the board, which shall be forwarded to the Mississippi Department of Public Safety (department) and the Federal Bureau of Investigation Identification Division for this purpose.

Practical Nursing Program applicants should be aware of the following restriction regarding who may qualify to write the NCLEX-PN®: “The Board may, in its discretion, refuse to accept the application of any person who has been convicted of a criminal offense under any provision of Title 97 of the Mississippi Code of 1972, as now or hereafter amended or any provision of this chapter.”*
