If selected, I accept all duties and responsibilities listed in the guidelines and expressed by the directing staff. I must enroll as a full time student, participate in all practices and games, and maintain a positive attitude and high moral character to remain in this leadership position. Students must have and maintain a 2.0 GPA to audition due to scholarship/financial aid requirements. Outside employment cannot interfere with my duties since I am receiving scholarship funds from Southwest to provide a service. All positions are available at the time of tryouts and the judge's calculations/selections are final. Other participants will remain in an alternate status according to rank and based on the judge's final scores. High scoring alternates will be called upon to join the team when those selected are unable to fulfill their duties. Any negative allegations regarding the tryout process or selections revoke all privileges of alternate status.
